PROPOSAL
OPERATING MILLAGE PROPOSAL

This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Jonesville Community Schools, Hillsdale and Jackson Counties, Michigan, be increased by 20 mills (\$20.00 on each \$1,000 of taxable valuation) for a period of 10 years, 2017 to 2026, inclusive, to provide funds for operating purposes (2 mills of the above will only be levied to the extent necessary to restore millage lost as a result of a reduction required by the Michigan Constitution of 1963); the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2017 is approximately \$890,605?
